To Whom It May Concern,

It is a pleasure to write this letter of recommendation for Tiare Bourget. I have worked with her this school year in two different inter district programs that promote both diversity and the arts.

Her passion for the dance and teaching others is inspiring! I admire the commitment she has made to the children's learning through the art of dance to all 150 students in my programs. Her passion and genuine concern and love for the children were ever present when teaching. She successfully weaves arts integrating in each lesson. Her gentle way of teaching commands attention from the students. I often heard her say that she learns from the student, which is a testimony to her humble spirit.

I feel she is a person of exceptional character and would be an asset if asked to join any organization.

If you need me to expand my opinion of Ms. Bourget, please do not hesitate to contact me. I can be reached at 860 449-2547

Sincerely,

Lisa M. Finley
